De la douzaine d'enfants inscrits au programme francophone en 1979, l'école est passée à plus de 333 élèves provenant de toute la rive nord de Vancouver, soit de Horseshoe Bay à Deep Cove. L'école offre une programmation complète en français de la maternelle à la 12e année. Sa clientèle étudiante est composée d'élèves provenant d'une variété de cultures francophones à travers le monde et plus particulièrement du Canada, de la France, du Liban, de l'Iran, de l'Algérie, de la Tunisie et du Maroc.

St. Edmund's School

2.86 KM away

Kindergarten, Elementary and Middle

535 Mahon Ave, North Vancouver, BC V7M 2R7, Canada

St. Edmund's School is among the oldest Catholic Schools in Vancouver, having opened in 1911. At that time, the dedicated Sisters of the Child Jesus, along with lay teachers and support staff, ran the school. Originally, the school had 57 students from grades one to twelve. Today, we have almost 200 students from Kindergarten to grade seven. Although the school has celebrated its centennial, the mission of St. Edmund's has changed very little - we still focus on the importance of building a faith community. As a Catholic school we share in the mission of the Church and believe that Christ's teaching must be "lived" as well as "taught". Our patron saint - Edmund - was a model of devotion and academic achievement. While he was Archbishop of Canterbury he firmly defended the rights of Church and State against corruption. He was canonized in 1247 only 7 years after his death. At our own St. Edmund's in North Vancouver we are establishing our own proud tradition of Catholic Education.

As a Catholic High School, students do more than study their Christian faith through religious education courses on the Old Testament, the New Testament, Morality, Church History, Vocation and Christian Witness in the World. Students learn in an environment imbued by faith, where the dignity of the human person, one's responsibility to develop one's own gifts, and the call to serve others and the common good, shape and instill in students a sense of their own worth and their responsibility to the broader community.
